## **FABRIC FLING WITH PATTI**

Patti is going to walk us through a wonderful string quilt using 2" strips from light, medium and dark fabrics. A supply list and precutting instructions will follow this email.

PLEASE READ ALL OF THE DIRECTIONS AND PRE CUT YOUR FABRIC PRIOR TO COMING TO CLASS. We plan to start class on time and not wait for those who did not precut their fabric, or who can't get their machines to work.

2009 Annual Dues of \$20.00 will be collected at this meeting. Upon paying your dues you will receive your Membership Card and 2009 Program.

There will be a signup sheet for the 2009 Challenge Quilt and a fee of \$3.00. When you signup and pay you will get a bag with your challenge fabrics, instruction, pattern for the Tennessee Block and instructions for the sleeve.

Sandy is going to show you the March Towne Purse and talk briefly about it. You will also have to sign up for this class as we have to order patterns for each person. There will be a charge no more than \$8.00 for the pattern and we will collect the money the day of the class.

Remember our new hours so plan to stay and sew. Bring your bag lunch and drinks.

And Don't forget your show and Tell.
